LUTHERAN MEN VICTORIA IN CONJUNCTION WITH CREATIVE WORD FELLOWSHIP HAVE INVITED JEFFERY HEMMER TO LEAD OUR STUDIES ON HIS BOOK MAN UP.

Join Jeffery on his quest to be a better man. The road is long and challenging, and society will try to tell that you are wrong - but you follow the Man who is the perfect example for manliness in a self indulgent, self-centered society. So fix your eyes on the Man up on the cross and embark on a journey to become more masculine (no weightlifting required).

Jeffery Hemmer is the husband of (in his opinion) the most wonderful woman in the world, father of the five most delightful children he's ever met, and pastor of Bethany Evangelical Lutheran Church in Fairview Heights, Illinois. He's also a wannabe farmer, maker of some things, fixer of other things, beard grower, and general curmudgeon. His big truck is probably a sign of his insecurity.
